Custom Shifts

- Quick Add team members who aren't on the schedule

The screenshot shows the 'Create Shift' dialog box in the foreground, which is a white modal with a title 'Create Shift'. It contains three input fields: 'Start Time*' with the value '12:39 PM', 'End Time*' with the value '--:-- --', and 'Employee*' with the value 'Adakai K*****'. At the bottom of the dialog are 'Cancel' and 'Submit' buttons. In the background, the app's main interface is visible, showing a 'Layout Editor' tab and a list of 'Unassigned Team Members'. The list includes names like Easton C, Iollan P, Kyler B, Schakera D, and Trenton S, each with a role, a shift duration of 10:30, and a time slot of 5:00 pm to 10:30 pm. A 'Learn' button and a '+ Create Shift' button are also visible at the top of the background interface.

New Design Coming Soon!

The desktop interface features a dark sidebar on the left with the OneClick logo and navigation options: Get Started, Dashboard, Shifts (highlighted), Checklists, Breaks, Team Members, Messages, Reports, Settings, and Service Account. A trial notice at the bottom of the sidebar states "12 days left in your free trial" with an "Upgrade Plan" button. The main dashboard area includes a top navigation bar with a "Today" dropdown and time slots (8:30 am, 9:00 am, 10:00 am, 11:00 am, 2:00 pm, 3:00 pm) and a "Front of House" dropdown. Below this is a row of metrics: Shift Strength (4.3/5), Working Leaders (6), Working Minors (3), Working Closers (8), In Training (5), New Recruits (5), Rating Prompts (3), and Open Lists (5). A "Write a note" field and "Priority Order" toggle are also present. The central "Priority Order" section displays a grid of roles and staff members for the 9:00 am - 5:00 pm shift, including Window, Bag Checker, Window 2, Cash Cart, iPOS 1-3, Shift Leader, Team Leader, Passer, Stocker, Mobile Drinks, Stocker 2, Mobile Bogger, Outside Expo, and various "Set" positions. A right-hand panel titled "Break Manager" lists staff members with their assigned times and roles, such as Vanessa H. (Front counter, 10:00am - 2:00pm, FOH General) and Timothy W. (Team Leader, 10:00am - 2:00pm, Maintenance).

The mobile app interface features a dark top bar with the OneClick logo, a help icon, a notification bell with a red "3", and a menu icon. Below the bar is a "Today" dropdown and time slots (8:30 am, 9:00 am, 10:00 am). The main dashboard area includes a "Team Members" section with a count of 48 and an "Assigned" count of 0. Below this are four metric cards: "48 Team Members", "32 Workers Assigned", "6 Sections Assigned", and "25% Tasks Completed". Further down are two more metric cards: "5 Pending Checklists" and "5 Completed Checklists". A "Most recent" dropdown and an "Expand all" button are also visible. The bottom section shows two "Daily Cleaning" task cards, each with a progress indicator (5/8 and 4/6), a time slot (2:00pm - 4:00pm), a "9h Overdue" warning, and a "Mark As Done" button.

Messaging with Notifications

- Auto join/leave channels based on leadership role/status
- DM Groups that can be renamed
- Super Pager messages that must be acknowledged
- Report of who saw and didn't see the Super Page
- Catch up on messages from Home view
- Only show your followed threads and unread conversations
- Open a conversation or reply from Home
